EUROCENTER

## COWORKING CENTER

IN THE HEART OF EUROPEAN INSTITUTIONS

Looking for a coworking space focused on sustainability and ethics to grow your project? At E&S EuroCenter we are strongly committed to sustainability, and to support the growth of changemakers. This is why we provide analysis and consulting services to our members to position themselves for Cosme, Horizon 2020, Erasmus +, Life +, Climate Kick and other European funding opportunities for sustainable and ethical initiatives.
